Dear Mr. Kaae,

I take this opportunity to congratulate Black Construction Corporation for winning the 2006 U.S. Small Business Administration's Dwight D. Eisenhower Award for Excellence in the category of Construction.

This prestigious award acknowledges Black Construction Corporation's commitment for developing, operating and maintaining a viable small business-subcontracting program, particularly for Naval Facilities Engineering Command construction projects managed under my command.

I wish you continued success and congratulations again for receiving this notable SBA award. I understand that Black Construction Corporation was the only construction winner for 2006 and that you will be receiving your award in Washington DC during the Small Business Week. Thank you again for supporting small business.

Sincerely,
